ITEM	21	DECISION
TOPIC	Notice of Intended Action – Chapter 99 – Wild Turkey Fall Hunting By Residents	

The Commission is requested to approve this Notice to amend Chapter 99, “Wild Turkey Fall Hunting by Residents.” Chapter 99 regulates hunting wild turkeys during the fall and include season dates, bag limits, possession limits, shooting hours, areas open to hunting, licensing procedures, means and method of take, and transportation tag requirements.

The proposed amendment allows this Chapter to conform with Iowa Code section 483A.24(9A) which was modified by 2008 Iowa Acts, Senate File 2230. Iowa Code specifies that nonresidents 21 years of age or younger with a severe physical disability or who have been diagnosed with a terminal illness may obtain a special license to hunt turkey during any season in any zone. The new law requires the Commission to adopt rules to implement the new code section.

A nonresident who receives a special license pursuant to this subsection must purchase a hunting license and the nonresident turkey hunting license, and pay the wildlife habitat fee, but is not required to complete the hunter safety and ethics education course if the person is accompanied and aided by a person who is at least eighteen years of age. The accompanying person must be qualified to hunt and have a hunting license. During the hunt, the accompanying adult must be within arm's reach of the nonresident licensee. The person requesting the special license must apply on a form which requires that the person's attending physician sign the form declaring that the person has a severe physical disability or has been diagnosed with a terminal illness and is eligible for the special license.
